Patient/Guardian/Responsible Party _____ Date: _____

Financial Policy Explanation:

- Proper identification is needed at the time of the initial evaluation.
- Accurate insurance and injury information must be presented by the patient.
- If benefits are subsequently denied by an insurance company, the patient is fully responsible for the charge of rendered services.
- Although benefits and coverage are verified prior to therapy, the patient is fully responsible to understand their individual benefits and plan details. Pre-verification of benefits/coverage is only an estimate of coverage and not a guarantee of benefits.
- Patients under the age of 18 years old require signed consent from a parent/guardian.
- Patients should be aware that some insurance plans require specific pre-authorization or referral for physical therapy.
- If an insurance carrier does not remit payment within 120 days, the balance shall be considered patient responsibility at that time.
- Pre-collection notices may be sent after the same patient balance is billed on two consecutive occasions. Patients will be responsible for all costs of collecting monies including court costs, additional collection agency fees of 35%, and attorney fees incurred.
- A \$25 charge will be assessed for any dishonored/returned check or any failed payment plan transaction.
- Medical supplies - payment is due in full at the time of receipt as these are not billed to any insurer; payment for medical goods is non-refundable

Commercial Insurance:

- Co-payments: Without exception, insurance companies require that co-payments be paid at the time of service.
- Co-insurances and deductibles: Estimated co-insurance and deductible payments are due at the time of service. After an EOB is received from the insurance company, any remaining balance will be billed to the patient.
- Any refund due to the patient will be credited to an active account or a refund check will be issued once all insurance payments are received.

Medicare: Claims will be submitted to Medicare and any supplementary/secondary plan. Clients are urged to speak directly to the therapist about the implications of calendar year caps on Medicare services. Clients need to notify this office if any home health therapy or nursing services have just concluded or occur during the course of therapy.

Workers' Compensation: It is our obligation to notify case managers/adjusters of missed or cancelled appointments.

Auto/Personal Injury: The client may 1) elect to self-pay for services or 2) elect that this office bills their personal health or auto insurance. Personal health insurance shall be considered a secondary payor to auto insurance. No 3rd party billing is allowed.

Self-pay: Payment is due at the time of service at the lesser of billed charges or \$125 per treatment session.

Attendance Policy:

You have the right to choose where you attend physical therapy. As a private practice clinic independent of any direct ties to referral sources or hospital networks, we thank you for your decision to attend therapy at Given Sports & Physical Therapy, P.C.

Positive clinical outcomes and customer satisfaction are the measures of our success.

Compliance with your prescribed frequency of physical therapy and suggested home exercise program is a vital component of your progress with our services. Please realize that your schedule affects not only our staff but also other patients. Our commitment to your progress is reflected in the following attendance policy.

Our policy includes the following steps:

1. We have extended times beyond those typical for a medical facility as a means of accommodating the needs of our patients.
2. We will give you a verbal and/or written schedule of your appointments.
3. If you need to cancel an appointment, please do so one or more days prior to your scheduled visit.
4. If you need to reschedule an appointment, please call our office and we will make every effort to do the same day or later in the week in order to keep your prescribed frequency of therapy.
5. In the event of a missed appointment, you will receive a phone call from our office (usually within 15 minutes of your scheduled appointment time). We will attempt to reschedule the missed appointment to another time during the week.
6. If we are unable to reschedule your missed appointment during the same week of therapy, we reserve the right to charge you a fee of \$25. This fee will not be charged to your insurance. Instead, we ask the fee be paid at your next appointment.
7. Your referring physician will be notified of your attendance and compliance with therapy. If you are a patient with workers' compensation insurance, we are obligated to immediately notify your adjuster or case manager of any scheduling issues.

We understand that serious emergencies and last minute changes in your daily schedule can happen. We simply ask for a courtesy call to inform us if such a event occurs. In instances of repeated non-compliance with your scheduled visits, we reserve the right to discontinue care and will notify your physician of this reason.

Again, we sincerely appreciate your decision to begin treatment at Given Sports & Physical Therapy, P.C. and wish you well in your rehabilitation!
